March 1, 2024

Online registration for the FEICA 2024 European Adhesive & Sealant Conference and EXPO is now open. Delegates are encouraged to register now to take advantage of the early bird registration fees and save up to €200. Early bird registration will be available until midnight May 31, 2024.

The conference and exposition are highly anticipated events for all stakeholders in the adhesive and sealant industry. It will take place at NH Conference Centre, Noordwijkerhout, the Netherlands, September 11-13, 2024. The FEICA 2024 Conference Business Forum and breakout sessions will focus on the theme 'Economic Resilience through [Sustainable](#) Solutions'.

Adjusting to a continuously evolving global landscape, the adhesives and sealants industry faces multifaceted challenges. The FEICA Conference seeks to navigate through these challenges by highlighting the essential role of sustainable solutions in shaping economic resilience. From raw material procurement to manufacturing processes and end-of-life considerations, the conference offers insights into a holistic approach to a more sustainable and economically robust industry, with presentations illustrating how innovations not only align with [EU sustainability goals](#) but also translate into tangible business advantages.

Additionally, the tabletop exhibition provides an opportunity for all producers, [distributors](#), suppliers, and service providers linked to the adhesive and sealant industry to show their latest developments and sustainable solutions. Parties interested in reserving a tabletop can visit the link below.
