LETTER OF SUPPORT

To the attention of the European Commission or to whom it may concern.

On behalf of FEICA, the Association of the European Adhesive & Sealant Industry, I am pleased to provide a Letter of Support to the ALMA proposal “*Advanced light Materials and processes for the Eco-Design of electric vehicles*”. ALMA will be submitted shortly to the HORIZON 2020 “Smart, green and integrated transport” Call 2018–2020, addressing topic LC-GV-06 “*Advanced light materials and their production processes for automotive applications*”.

The objectives and activities of ALMA are fully adequate and in line with the innovation priorities and market interests of our organization, and in particular the innovative technology enabling reversible structural joining technology, and cost-effective circularity (separation, recycling and recovery). Therefore, by signing this letter, we declare that FEICA will fully support the consortium of ALMA project proposal, by being involved in the Advisory Group as an external collaborating partner to provide with supporting information and advice, and will be interested to closely follow up the project results and conclusions.

FEICA, the Association of the European Adhesive and Sealant Industry, is a multinational association representing the European adhesive and sealant Industry. With the support of its national associations and several direct and affiliated members, FEICA coordinates, represents and advocates the common interests of our industry throughout Europe. In this regard FEICA aims to establish a constructive dialogue with legislators in order to act as a reliable partner and create a mutually beneficial economic and legislative environment. Through its membership (15 National Association Members, 24 Direct Company Members and 19 Affiliate Company Members), FEICA represents more than 800 companies from across Europe. Our sector represents more than 2% of the total European chemical industry’s turnover and contributes more than 16 billion euros to the EU economy. FEICA is registered in the EU Transparency Register with ID no. 51642763262-89.
