

The European voice of the
adhesive and sealant industry

Brussels, 6 May 2020

FEICA appoints new Secretary General

Kristel Ons succeeds Philip Bruce as Secretary General of FEICA, the Association of the European Adhesive & Sealant Industry

FEICA's President, Roland Albers, announces that the FEICA Executive Board unanimously appointed Kristel Ons as the incoming Secretary General of the Association with effect from 15 June 2020.

Kristel has been with FEICA for over ten years, previously as its Communications and Events Director, responsible for the organisation of the annual FEICA Conference & EXPO, internal and external communication, and was instrumental in the roll-out of FEICA's strategy. She served as Deputy to Philip Bruce for the last four years and has been very involved in all Secretary General duties since the beginning of 2020 to ensure a smooth transition to the new role.

Prior to joining FEICA, Kristel had a successful career in global business development across a range of industries. Kristel holds a Bachelor's in Marketing & Communications, a Postgraduate Diploma in Corporate Finance from K.U. Leuven, and an Executive Master's in International Association Management from the Solvay Business School. In addition, she is a certified Prince2® Foundation Project Manager.

'I am excited to be appointed as the next Secretary General of FEICA', Kristel said. 'I very much look forward to continue working with the staff, members and external stakeholders to promote and strengthen our industry.'

Philip, Director of PJB Chemical Consulting Ltd, took charge of FEICA four and a half years ago, after which the Association went from strength to strength, with a healthy strategy and increased membership.

Philip said 'Kristel knows FEICA through and through and I wish her all the very best. The Association will have a bright future in her capable hands'. He added 'I want to express my deep appreciation for the opportunity to work with so many talented members, colleagues and external stakeholders, all very dedicated to our industry.'

FEICA President Roland Albers commented, 'we are delighted that Kristel is assuming the position of Secretary General at FEICA and wish Philip a very happy retirement after very productive years of leading the Association. He added 'building on FEICA's excellent reputation in the public domain as well as with the European bodies, the board and I are confident that Kristel will take the Association to new heights.'

-END-

FEICA

FEICA, the Association of the European Adhesives and Sealants Industry, represents the industry at a European level and works with all relevant stakeholders to create a mutually beneficial economic and legislative environment within which they can operate and prosper.

Our industry provides leading edge technologies that make the manufacture and supply of many everyday products possible; it contributes greatly to the European and global economy, fosters sustainable development, encourages innovation and offers stimulating careers for people with a wide range of skills.
