

The European voice of the
adhesive and **sealant industry**

FOR IMMEDIATE RELEASE

Brussels, 11 January 2022

Greek adhesives and sealants producers form industry association

FEICA, the Association of the European Adhesive & Sealant Industry, and the Hellenic Association of Chemical Industries (HACI) provide support for a nascent organization

On December 8th, representatives of the Greek adhesive and sealant industry came together to found the Hellenic Adhesives and Sealant Cluster (HASC), under the umbrella of the Hellenic Association of Chemical Industries (HACI).

As of January 2022, Greece joins the many other EU countries which have a national association representing the adhesives and sealants manufacturers vis-à-vis authorities.

This inaugural meeting focused on the legal formalities of the founding of the Association and the election of the first Administrative Committee. Panos Scarlatos, General Director of HACI, and Kristel Ons, Secretary General of FEICA, congratulated the members on their new association and offered continuing support to the Cluster.

HASC currently has 12 members: H.B. Fuller Greece SAIC, Henkel Hellas SA, Mapei Hellas, Sika Hellas, Kerakoll Hellas, Alchimica Building Chemicals, Ravago Hellas S.A., Isomat S.A. Building Chemicals and Mortars, A. Elliniadis SA, Vertico, Elastotet S.A., Bostik Hellas S.A.

Kristel Ons added, 'On behalf of the FEICA Executive Board I welcome the Greek members to our European adhesive and sealant forum of National Associations. I'm looking forward to a fruitful cooperation and strengthening a sustainable future for our industry'.

Panos Scarlatos on behalf of the Board of Directors of HACI expressed his thanks to FEICA for the support and added, 'It is the right time for adhesives and sealants producers to join FEICA towards the Green Deal ambitious targets'.

END

About FEICA

FEICA, the Association of the European Adhesive & Sealant Industry, is a multinational association representing the European adhesive and sealant industry. The European market for adhesives and sealants is currently worth more than 15 billion euros. With the support of its national associations and several direct and affiliated members, FEICA coordinates, represents and advocates the common interests of our industry throughout Europe. In this regard, FEICA works with all relevant stakeholders to create a mutually beneficial economic and legislative environment.

For further information about FEICA, please visit our website www.feica.eu.

About HASC/HACI

HACI represents the Producers of Chemicals in Greece; it has been a full member of CEFIC since 1994. HACI supports its clusters of activities to strengthen the competitiveness of its members by working together efficiently.
