

FOR IMMEDIATE RELEASE

FEICA 2024 European Adhesive & Sealant Conference and EXPO

Brussels, 23 September 2024

FEICA

FEICA, the Association of the European Adhesive & Sealant Industry, is a multinational association representing the European adhesive and sealant industry. With the support of its national associations and several direct and affiliated members, FEICA coordinates, represents and advocates the common interests of our industry throughout Europe. In this regard, FEICA works with all relevant stakeholders to create a mutually beneficial economic and legislative environment.

FEICA 2024 European Adhesive & Sealant Conference and EXPO

The 2024 FEICA European Adhesive & Sealant Conference and EXPO: This year's event focussed on sustainable innovations as drivers of current and future markets and opportunities for the adhesives and sealants industry.

What attendees said:

'FEICA's work on regulatory topics and advocacy is crucial for our industry. I'm glad that FEICA organises such a great event since it brings the industry together. We must cooperate to share innovative ideas and tackle all the sustainability challenges.', Kim Suetens, Group Sustainability and Regulatory Affairs Manager, Soudal

'The FEICA Conference is a fantastic opportunity to hear about the innovations in the sector, both from suppliers of raw materials but also from adhesive manufacturers. You learn about every hot topic and it's a fantastic opportunity for networking.', Steffen Maier, Global Technology Manager Waterbased Systems, Sika

More on the event:

This year's Conference Business Forum, titled 'Economic Resilience through Sustainable Solutions', explained Europe's challenges and opportunities in developing sustainable innovations. Keeping up with the future scenario becomes an indispensable resource within every business in Europe. Analysing your present business through the filter of sustainability and digitalisation ensures you are set for the 'business of tomorrow'.

In addition to the Business Forum, parallel breakout sessions offered attendees a range of focus areas, such as future adhesives and sealants, circularity, hotmelts, construction materials and many more.

The Table Top Exhibition (EXPO) united 50 exhibitors from all over the world to showcase their innovations,

FEICA President Eric Dehasque, added: 'FEICA 2024 demonstrated how the association continuously strives for a beneficial and sustainable economic and legislative environment for our industry. A strong association is key in providing guidance to companies navigating the complexity of EU regulations and ultimately helping to secure the future of the adhesives and sealants industry in Europe.'

Kristel Ons, FEICA Secretary General, added, 'I am pleased to see that the entire Adhesives & Sealants value chain has marked the FEICA Conference & EXPO as its main network event, confirmed yet again by a record-breaking attendance.'

FEICA thanks its sponsors, media partners, speakers and moderators, exhibitors and all participants of the 2024 edition. The 2025 FEICA Conference & EXPO will be held in San Sebastian, Spain, from 10 through 12 September 2025. Registration will open at the beginning of 2025 via feica-conferences.com.
