

FEICA PUBLISHES NEW MARKET REPORT ON THE ADHESIVES AND SEALANTS MARKET

An independent, expert-validated study recognised as the European industry standard

Brussels, 23 September 2025 - [FEICA, the Association of the European Adhesive & Sealant Industry](#), has released its latest market report 'The European Adhesives and Sealants Market 2025-2030'.

The comprehensive report, prepared by [Smithers](#) on behalf of FEICA, provides essential insights into market trends, growth drivers, and sector-specific opportunities across Europe*. It delivers market statistics based on extensive desk research and direct interviews with formulators, raw material producers, and equipment suppliers.

There are several reasons why this market report is a valuable resource for raw material suppliers, packaging converters, adhesives manufacturers, brand owners, and retailers:

- Provides independent, expert-validated data
- Recognised as the European industry standard, based on in-depth interviews with the sector
- Offers segmentation by product category, end-use sector, and region
- Aligned with the FEICA-ASC-CATIA classification manual for international comparability

This makes the report a **critical tool for strategic planning**, benchmarking, and investment decisions.

Market size in the report is given for 2024, with forecasts to 2030, and all data are presented in tonnes and euros. In addition to detailed market segmentation, the report explores key growth opportunities, market trends, and the impact of sustainability, innovation, regulatory developments, and circular economy principles on the industry. It is an essential resource for stakeholders seeking to understand and capitalise on the evolving European adhesives and sealants market.

About FEICA

FEICA is the Association of the European Adhesive & Sealant Industry. Adhesives and sealants (A&S) play a crucial role in many of the EU's strategic sectors and are essential enablers of countless everyday products. A&S enhance products' performance, durability and circularity. With the support of its members and national associations, FEICA voices the interests of the industry in Europe, where 85% of adhesive and sealant companies are SMEs. The association provides regulatory guidance, helps members navigate compliance requirements, and promotes sustainable practices. FEICA fosters collaboration with industry stakeholders to address shared challenges and to create a mutually beneficial economic and legislative environment.
